Re: Assessment of \$50.00

At the meeting of the Romaldo Water Company on Sunday, April 29, 1979, members present voted unanimously to assess each water hookup in the amount of \$50.00, to be paid by May 10, 1979. Our treasury is depleted as of now, because of the rising cost of electricity, well repair and the purchase of new pumps.

Please send your check for \$50.00 before May 10, 1979
