Subject: Romaldo/ Need a check issued
Attachments: \$700-Concrete work.pdf; IMG_9002.jpg; IMG_9001.jpg; IMG_8225.jpg; IMG_8896.jpg

Hi Ron,

Please cut a check to me (Bill Hurst) from the Romaldo account for \$700, per the attached receipt, and place in mailbox 5587.

Today I paid Pablo in cash (the contractor) for the foundation of the new tank (see attached images). As you can see from the receipt, this was an informal project, but Pablo charged us just \$700, compared with the quote of \$3,000 from another local contractor. And, Pablo's attention to detail and knowledge of concrete work exceeds any other contractor with which I have worked. His number is on the receipt, in the anyone is interested in hiring him for work at their house.

As you can see in the pictures, Bob Evans donated his time and tractor to put the tank in pace after the cement pad was poured.

We will schedule a meeting for regular well stuff sometime in September.

Bill
